C-1.7 Personnel Staffing Objectives

The Contractor shall provide sufficient staffing to accomplish all petroleum and cryogenic receipt, storage, and issue operations and other tasks identified in Section C-2.0. The Contractor's staffing and personnel objectives shall be flexible and capable of meeting the demands of multiple aircraft servicing operations via mobile refuelers, direct refueling system, or a combination of both to provide hot or cold refueling, as well as bulk fuel storage and distribution operations, cryogenics operations and quality surveillance of petroleum products. However, the Contractor shall schedule personnel so that no individual works more than 12 hours in one shift, followed by an 8-hour break.

C-1.8 Normal Workday Operations

Normal airfield operating hours for NAS Meridian is 0000 to 2400 hours Monday through Friday. The airfield is normally closed on Saturday, Sunday and holidays; however, see Figure 1 regarding Sunday/holiday scheduling to ready aircraft for the next duty days flight operations. Operating hours for OLF Bravo Field are normally 0700-1730 Monday through Friday. The Contractor shall provide aircraft fuel services support for the aforementioned hours within the response times established in Section C-2.2.2. In addition, the Contractor shall maintain the capability to provide fuel support and respond to servicing demands anytime, 24 hours per day, 365 days per year. Offers shall include all labor associated with these operations in the price for the appropriate Contract Line Item Number (CLIN). Work associated with operations that is outside of normal operations, i.e., the essential servicing of aircraft as deemed necessary by the local command, unscheduled exercises, or real time contingencies will be reimbursable as outlined in Section C-4.3, Augmentation. The Government will reimburse the contractor only for approved augmentation worked by "service employees." Essential personnel as defined in Section C-1.10 are part of the Contractor's Management Team and shall not be considered "service employees" as defined by Section I, Clause I100.

NOTE

As used above, "maintain the capability," should not be construed to mean or imply a requirement for full time staffing outside normal duty hours.

Figure 1 lists the functions to be performed by the Contractor and the hours they shall be manned. Tasks associated with a given function, tank truck receipts at storage for example, will normally be accomplished within the hours specified. Empty cells indicate that a function is not normally manned for the days indicated by the column heading.
